2025+ Future Growth & Innovations

Chronicle

ABOUT US

Vikrant University, a pioneering educational institution, is dedicated to fostering top-notch education not only in Madhya Pradesh but also across the nation and beyond. The inception of this noble initiative occurred in the year 2007 with the establishment of the Vikrant Group of Institutions (VGI) in Indore. The exponential growth and unprecedented achievements of the institution can be attributed to the dynamic and visionary leadership of Shri R. S. Rathore, the founder chairman of the group and the esteemed chancellor of Vikrant University.

Distinguished for its diverse academic offerings, Vikrant University provides a comprehensive array of courses spanning Engineering, Computer Applications and IT, Legal Studies, Management & Commerce, Agriculture Science, Pharmacy and other disciplines. Presently, the university boasts an impressive portfolio of over 120+ UGC recognized Diploma, UG, PG, and Ph.D. programs, catering to a vibrant student community of approximately 6600+. Beyond the walls of academia, our influential alumni serve as global ambassadors, leaving an indelible mark in esteemed organizations worldwide.

As Vikrant University continues its journey of imparting value-based higher education to society, it remains committed to scaling new heights, aligning with the goals of the new education policy, and propelling the nation forward.

VISION

To develop a distinguished institution of higher learning that fosters innovation, promotes excellence, and shapes responsible global citizens dedicated to Nation-building and sustainable development.

MISSION

- To provide quality industry-aligned education through learner-centric methods.
- To create a culture of impactful research, creativity, and entrepreneurship.
- Empowering students with ethical values and effective leadership skills.
- To establish collaborative partnerships with industry, academia, and society.

MESSAGE FROM CHANCELLOR

RAKESH SINGH RATHORE

To the generation who can shape the future

I warmly welcome you to Vikrant University, Gwalior, where learning goes beyond the classroom. At Vikrant University, we see the potential leader in every student and work to nurture that potential. Our students grow into skilled professionals from managers and engineers to lawyers while also becoming innovators, entrepreneurs, educators, community leaders, and dreamers who strive to make a difference.

At Vikrant, we bring together talented students and dedicated faculty to build a vibrant learning community. While we embrace modern progress, we remain rooted in strong values, helping students appreciate both success and the simple joys of life.

Our experienced faculty and accomplished alumni reflect the true spirit of the university. Through a strong focus on research and collaboration with industry, we prepare students to succeed in diverse careers and contribute meaningfully to society. Beyond academics, Vikrant University, Gwalior also focuses on developing character, creativity, and responsibility. Through leadership opportunities, cultural activities, and community engagement, students gain confidence, teamwork skills, and a broader outlook. Our goal is not only to prepare them for successful careers, but also to inspire them to lead meaningful lives and create a positive impact wherever they go.

At Vikrant University, we encourage students to dream boldly, think independently, and pursue excellence in every endeavor. The university strives to create an environment that supports innovation, lifelong learning, and global perspectives. As you become part of the Vikrant family, you will find opportunities to explore your interests, challenge your abilities, and grow into responsible individuals who are ready to contribute positively to society and the nation.

We believe that education is a lifelong journey that shapes not only professional success but also personal growth and social responsibility. At Vikrant University, students are encouraged to embrace challenges, learn from diverse perspectives, and develop the confidence to lead with integrity and purpose. Through collaborative learning, mentorship, and continuous innovation, we aim to create an environment where ideas flourish and aspirations turn into achievements. Together, let us build a future driven by knowledge, compassion, and a shared commitment to progress.

MESSAGE FROM PRO-CHANCELLOR

NITIN SINGH TOMAR

"We are what we repeatedly do. Excellence, therefore, is not an act but a habit." – Aristotle

It gives me immense pleasure to share my thoughts on the remarkable journey of the Vikrant Group of Institutions. When its foundation was first laid, there were no buildings or infrastructure, only a powerful dream and clear vision in the mind of our Chairman, Rakesh Singh Rathore. What seemed impossible to many became a challenge we embraced with determination.

Guided by the belief to "dream with open eyes and never rest until dreams are achieved," Vikrant has grown steadily over the years. What began as a small sapling has now flourished into Vikrant University, a symbol of dedication and perseverance.

Our journey has always remained student-centric. Every effort is directed toward nurturing young minds and opening new opportunities for their growth. Inspired by the words of Swami Vivekananda, we continue striving for excellence while contributing to the progress of society and the nation.

Jai Hind! Jai Bharat!

MESSAGE FROM PRO-CHANCELLOR

VIKRANT SINGH RATHORE

Welcome to Vikrant University, Gwalior, where a journey of learning, innovation, and personal transformation begins. At Vikrant, education goes beyond academics, shaping perspectives and preparing students for a rapidly changing world. Established with the vision of creating a modern center of education and innovation, the university encourages creativity, growth, and progress.

Our campus offers a vibrant environment where curiosity is encouraged, talent is nurtured, and diversity is celebrated. With the dedication of our students, faculty, and alumni, Vikrant University has earned recognition at national and international levels.

Our alumni have transformed their ideas into achievements, inspiring future generations to continue this proud legacy. Through clubs, community engagement, and extracurricular activities, students gain opportunities to grow and make meaningful contributions.

As you begin this exciting journey, embrace new challenges and experiences. The knowledge, friendships, and skills you gain here will shape your future and guide you toward success.

MESSAGE FROM MANAGING DIRECTOR

AVINASH MISHRA

"Leadership is not about being in charge.
It is about taking care of those in your charge."

At Vikrant University, Gwalior, we believe education is the strongest foundation for individuals, communities, and nations to grow and prosper. As Managing Director, I see my role not only in guiding institutional progress but also in preserving a legacy that values knowledge, encourages innovation, and prepares students to become agents of change.

Our mission has always been to create an environment where young minds are not just educated but inspired. Through modern infrastructure, strong industry collaborations, and globally relevant programs, we strive to build a future-ready campus.

At Vikrant University, we recognize the unique potential within every student. Through experiential learning, leadership opportunities, and community engagement, we help students explore their abilities with confidence.

I warmly welcome you to Vikrant University, Gwalior where you will grow into a responsible professional and leader of tomorrow.

MESSAGE FROM VICE CHANCELLOR

DR. SANDEEP SHUKLA

As the Vice Chancellor of Vikrant University, Gwalior, I warmly welcome students from across the country and around the world who are beginning their academic journey with us. At Vikrant, we believe our students are our greatest strength. Our aim is to create a supportive learning environment that not only imparts knowledge but also inspires students to become responsible individuals contributing to the nation's progress.

Our academic approach encourages the development of leadership, managerial, technical, and entrepreneurial skills. Along with classroom learning, students participate in conferences, seminars, workshops, technology festivals, sports, cultural events, and social initiatives for holistic growth. With a global outlook, we offer international training programs and educational tours supported by global collaborations. Our Centre of Excellence further equips students with industry-relevant skills for successful careers.

At Vikrant University, Gwalior we are committed to shaping capable professionals and future leaders.

Welcome to Vikrant University, where your future begins.

MESSAGE FROM PRO-VICE CHANCELLOR

DR. ATUL KUMAR

It is an honour to welcome the prospective students to Vikrant University, Gwalior. The university is steadily emerging as a dynamic academic hub committed to discovering and transforming students' inner potential into calibre, capabilities, and competencies. Our academic philosophy emphasizes 'Horizontal Exposure with Vertical Expertise', enabling students to explore diverse perspectives while developing deep expertise in their chosen fields.

At Vikrant University, we balance knowledge with application through a robust training ecosystem that includes aptitude development, communication skills, technical training, personal grooming, professional etiquette, mock interviews, and AI-enabled learning tools. We also provide experiential learning through industrial visits, internships, apprenticeships, and live projects.With a strong focus on research, innovation, and global exposure, we prepare students for industry readiness and career excellence. Utilize every moment here to build character, competence, and clarity of purpose.

MESSAGE FROM REGISTRAR

DR. RICHA VERMA

Vikrant University is recognized for its accomplished faculty, strong academic programs, and commitment to student success. The university aims to develop scholars who are knowledgeable, innovative, and future-ready leaders. Known for maintaining high academic standards, it has emerged as a leading private university in the state.

Located in Gwalior, the university offers a vibrant academic environment that blends excellence in science, arts, and humanities with strong student engagement and an entrepreneurial spirit. With a supportive learning atmosphere and a strong student–faculty ratio, students receive personalized attention and quality education.

The university emphasizes experiential and interdisciplinary learning across fields such as engineering, management, sciences, law, and social sciences, while encouraging research, creativity, and community engagement to prepare students for meaningful careers and societal contribution.

ACADEMIC PEDAGOGY

Vikrant University's educational foundation is firmly rooted in the principles outlined by the National Education Policy (NEP), serving as a guiding force for its pedagogical framework. The university is committed to cultivating a dynamic learning environment that embraces exploration, creativity, and critical thinking. With a strong emphasis on a comprehensive approach to education, Vikrant University adheres to the Choice Based Credit System (CBCS), allowing students the flexibility to shape their academic journey based on individual preferences and aspirations.

What truly sets Vikrant University apart is its commitment to non-traditional career streams and programs, driven by the overarching ideology of "leadership through learning." This unique perspective encourages students to transcend conventional boundaries, cultivating a spirit of curiosity and adaptability.

Vikrant University stands out for providing top-notch education through systematic pedagogical procedures, with a focus on practical learning outcomes.

RESEARCH AND DEVELOPMENT CELL

The Research and Development Cell at Vikrant University (VU) is establishing a research culture that covers several disciplines and provides full support to all research scholars. This initiative aims to promote the transformative trend in research and foster a dynamic research environment since modern research is undergoing a significant change due to digital technologies and the continuous collection and combination of data across many functional areas and interdisciplinary researches.

Ph.D. AT VU

Vikrant University is a research-intensive university that designs its Ph.D. programme in alignment with its aspiration to be a leader in cutting-edge research. In accordance with its vision to offer globalized research education, the Ph.D. course work aims to equip our Ph.D. students with the skills to conduct research in any field from a global perspective, enabling them to think, innovate, and apply their knowledge to emerging global challenges. The outstanding faculty of VU inspires and motivates the researchers to world diligently. The VU Ph.D. programme strives to provide our research aspirants with the best opportunities to develop their thesis.

SCHOLARLY PUBLICATIONS

AGRICULTURE RESEARCH & DEVELOPMENT CENTRE

50 Acres Land, dedicated to Agriculture Research & Development Centre

The Agriculture Research and Development Centre at Vikrant University is dedicated to fostering innovation and advancements in agricultural practices. It focuses on sustainable farming techniques, crop management, soil health, and the integration of technology to enhance productivity and reduce environmental impact. Through collaboration with experts, industries, and farmers, the centre aims to drive agricultural progress and contribute to food security and rural development.

Features :

- **Hands-on Training :** Practical sessions for students and farmers to learn modern agricultural techniques.
- **Advanced Research Facilities :** State-of-the-art labs and equipment for research on crop genetics, pest control and sustainable practices.
- **Expert Faculty and Researchers :** A team of highly qualified professionals and industry experts guiding research and development initiatives.
- **Collaborations with Industry :** Partnerships with agricultural companies and government bodies for knowledge exchange and practical solutions.
- **Sustainability Focus :** Emphasis on eco-friendly farming methods, water conservation and organic farming.This centre is a hub for innovation and a stepping stone towards transforming the agricultural landscape.

TRAINING & PLACEMENT CELL

The Training & Placement Cell at Vikrant University serves as a vital link between students and the professional world, facilitating their transition into the workforce by providing placement opportunities. Our cell actively collaborates with esteemed organizations and institutes to create internship and training programs that equip students with practical skills and industry insights. Through these partnerships, students gain invaluable real-world experience, enhancing their employability and preparing them for successful careers in their respective fields.

Equipped with modern infrastructural facilities, the Training & Placement Cell provides a conducive environment for various recruitment activities, including group discussions, tests, and interviews. We ensure that all logistical aspects are meticulously handled, allowing recruiters and students to engage seamlessly. Our proactive approach in coordinating campus interviews with over 200+ companies annually ensures that students from diverse academic backgrounds have access to a wide array of employment opportunities.

With a comprehensive network spanning core engineering, IT & IT-enabled services, manufacturing, consultancy, finance, management, R&D, and more, the Training & Placement Cell at Vikrant University caters to the diverse career aspirations of our students. By nurturing strong relationships with industry leaders, we strive to empower students with the resources and connections necessary to thrive in today's competitive job market. Our commitment to bridging the gap between academia and industry ensures that Vikrant University graduates emerge as competent professionals ready to make significant contributions to their respective fields.

STUDENT TESTIMONIALS

SHIVAM CHATURVEDI — KEC

I am grateful for the guidance and mentorship provided by the professors at Vikrant. Their expertise and dedication have nurtured my intellectual growth and shaped my future prospects.

ANKIT KANKAR — MarCom Group

I am very grateful to Vikrant Group, Both the faculty and Training & Placement Department. The VGI aims at enhancing my knowledge, skills and abilities. And it's a big platform to learn for skill enhancement and to get a great learning experience. And VGI has built my confidence level through which I can survive anywhere.

ZAKIR RASOOL MIR — Khyber Cement

When I first entered VGI I was anxious about my future. Over the four years so many doors were opened for our personal and academic development that I became confident. The VGI aims at enhancing our knowledge, skills and abilities.

SHIVANI YADAV — D Mart

Vikrant University has provided me with the knowledge and skills to excel in my career. The practical approach and experienced faculty have been instrumental in my growth.

SUYASHDEEP RAJPOOT — Tata Power Solar

It was a great time spent at VGI, thanks to its excellent faculty, who were very cooperative. The Training and Placement department continuously provided assistance regarding placements. VGI has made its best efforts to provide all facilities for the students.

ROMANSHI GOSWAMI — ProDeskIT

The quality education at Vikrant University has equipped me with a strong foundation for success. The supportive teachers and engaging atmosphere have made my learning experience exceptional.

SAJAL TIWARI — Ericsson

Vikrant offers a vibrant and inclusive atmosphere that encourages learning and personal development. The well-maintained campus and conducive environment have made my college experience enriching.

KIRTI SHRIVAS — Department M.P. Police Housing and Infrastructure Development Corporation

The competitive atmosphere at Vikrant has pushed me to strive for excellence and unleash my true potential. It has instilled in me a sense of determination and perseverance.

JESMIN PRAJAPATI — Vatsal Healthcare Solutions

A better human being, a better developer and a dream to achieve something big is all I hoped for when I joined VGI. I am delighted to say that the faculties and the staff have helped me to achieve these dreams. Here, I not only had the chance to develop on my technical skills but also on other aspects such as Leadership & Management Skills.

ALOK PRAJAPATI

Vikrant University's expert guidance and practical approach were key to my success in the ADPO examination. The supportive faculty and comprehensive resources helped me build the skills and confidence needed for this achievement.

ROHIT SAXENA — Paytm Payments Bank

Pursuing MBA here was the best decision. The rigorous training and case studies prepared me for real-world challenges. I am grateful for the opportunity at Paytm Payments Bank.

PRAGATI RATHORE — ICICI Bank

The support from faculty and peers, combined with hands-on projects, helped me secure a position at ICICI Bank. I'm excited to begin this new phase of my career.

GAURAV SHRIVASTAVA — egis India

The staff at Vikrant University has been incredibly supportive, always available to address my concerns and provide guidance. Their unwavering commitment to student success is commendable.

ANJANI KUMAR — adani Power

I thank my department and its faculty members for encouraging me to think globally and spread my wings to take off for the land of rising sun and I appreciate the support of my university for shaping my career and getting me placed in such big MNC.

ANKITA CHAWLA — Café Coffee Day

The emphasis on practical learning during my MBA has been instrumental in shaping my career. I extend my gratitude to the faculty and placement cell for their continuous support.

VEERU JATAV

Studying at Vikrant Univ. has been a transformative journey. The rigorous curriculum, experienced faculty, and unparalleled support prepared me to excel in the ADPO examination. The university's emphasis on practical learning and professional development played a pivotal role in my success. I am proud to be an alumnus of this prestigious institution.

AMAZON WEB SERVICES LEARNING & CERTIFICATION CENTRE

Let's Begin The Journey to Learn Amazon Web Services

Vikrant University has partnered with Amazon Web Services to become an authorized Learning and Certification Center. This collaboration aims to bridge the skills gap for youth, empowering them with the resources needed for success. AWS Certification offers students a professional edge, with globally recognized and industry-endorsed courses, helping them shape a successful career. Let's walk together on the path to success and achieve your goals.

APPROVED NSDC TRAINING PARTNER

National Skill Development Corporation (NSDC) is a public-private partnership organization with a mission to transform India's skill development landscape. As an approved NSDC Training Partner, Vikrant University (a constituent body of Vikrant Educational and Social Welfare Society) is committed to empowering students with industry-relevant skills that enhance their employability and competitiveness.

We offer value-added certification courses across diverse sectors through NSDC, equipping our students with practical knowledge and an extra edge in the job market. Our training programs cover the following sectors :

- Automotive
- Construction
- Electronics & Hardware
- Capital Goods
- IT-ITes
- Management & Entrepreneurship

and many more.

IEEE STUDENT BRANCH

Student Branch Code : STB60229344
School Code : 60229344
Region 10, MP Section

At Vikrant University, the IEEE Student Branch has been established to foster a culture of innovation, research, and professional excellence among students in the field of engineering and technology. Functioning under the global network of the Institute of Electrical and Electronics Engineers (IEEE), the student branch provides a dynamic platform for students to connect with the international technical community, enhance their technical knowledge, and develop leadership and collaborative skills.

Through a range of activities such as technical workshops, expert lectures, seminars, hackathons, and project-based learning initiatives, the IEEE Student Branch at Vikrant University encourages students to explore emerging technologies and engage in meaningful academic and professional development. The branch also motivates students to participate in IEEE conferences, competitions, and research publications, helping them stay aligned with global technological advancements and industry trends.

A PROUD LIFETIME MEMBER OF AUAP

Vikrant University, Gwalior, India has reached a historic milestone by becoming the first-ever Lifetime Member of the Association of Universities of Asia and the Pacific (AUAP). This esteemed recognition highlights the university's steadfast commitment to excellence in higher education, fostering global partnerships, and advancing AUAP's vision of empowering education and innovation across Asia and the Pacific.

As a Lifetime Member, Vikrant University strengthens its role as a leader in higher education, setting new benchmarks for collaboration, innovation, and development in the region. This remarkable achievement underscores the Vikrant community's dedication to driving global educational excellence and creating impactful learning experiences.

The Association of Universities of Asia and the Pacific (AUAP), established in 1995, holds the highest consultative status with UNESCO. It serves as a premier platform for interaction, cooperation, and collaboration among universities in the Asia-Pacific region, amplifying their voice on the global stage.

Vikrant University takes immense pride in this accomplishment and remains committed to shaping the future of education and innovation in the region and beyond.

BRIDGING OPPORTUNITIES THROUGH COLLABORATIONS

Vikrant University has strategically fostered numerous Memorandum of Understanding (MOUs) and partnerships, solidifying robust connections with both Government and Private entities on National and International fronts. These alliances facilitate skill development by integrating practical industry insights into the curriculum, ensuring that students gain a comprehensive understanding of real-world scenarios. The university's commitment to providing students with hands-on experience is evident through internship opportunities, Industry visits, and workshops organized in collaboration with its corporate partners. Additionally, student exchange programs with renowned educational institutions globally further enrich the learning experience, offering a diverse and global perspective.

VIKRANT INCUBATION CENTRE

The Incubation Centre at Vikrant University serves as a dynamic hub fostering innovation & entrepreneurial spirit among its students. With a dedicated focus on nurturing ideation, the center hosts regular workshops, seminar and Startup Nest aimed at equipping aspiring entrepreneurs with essential skills and knowledge. It goes beyond theoretical concepts, actively promoting a startup culture through engaging Hackathons that challenge participants to transform ideas into viable projects.

In collaboration with the Ministry of Education's Innovation Cell and AICTE under initiatives like Institution's Innovation Council (IIC) and YUKTI-National Innovation Repository, the center not only nurtures local talent but also aligns itself with national frameworks. These strategic partnerships position Vikrant University at the forefront of cultivating a culture of entrepreneurship and research, echoing the broader national vision for educational innovation.

CLUBS

BIS STANDARDS CLUB

Established by the Bureau of Indian Standards, the BIS Standards Club engages in innovative initiatives, aiming to instill in young minds the paramount importance of quality, standards, and the cultivation of a scientific temperament

HUSTLERS CLUB

Catering to technology, engineering, and innovation enthusiasts, the Hustlers Club organizes coding competitions, robotics workshops, tech conferences, hackathons, and seminars on emerging technologies. Providing hands-on experiences and networking opportunities, the club fuels entrepreneurial spirit and technical prowess.

AUTOMOTIVE CLUB

Exploring the fascination for wheels, this distinctive activity club empowers students to immerse themselves in hands-on experiences, bringing their automotive interests to life.

INNOVATION CLUB

Fostering innovation, the Innovation Club provides budding engineers with hands-on practical experience, allowing them to cultivate their skills in a supportive environment.

WOMEN'S CLUB

As a beacon of solidarity, the Women's Club at Vikrant University thrives on nurturing empowerment, offering a lively haven where women can connect, inspire, and flourish together.

PRO BONO CLUB

Vikrant Nyaya Deep: The Light of JusticeAims to enhance the quality and efficiency of pro bono legal services by involving law students in assisting pro bono advocates. It instills a sense of responsibility in young legal minds, encouraging them to practice and promote pro bono legal services for disadvantaged individuals in society

MANAGEMENT CLUB

Vikrant University's management clubs—HR Harmony, The Hype Creators, and Fincraft—empower students to enhance their skills, network with professionals, and gain real-world exposure. These clubs foster leadership, creativity, and financial literacy, preparing students to excel in their careers.

VIKRANT VIGYAN CLUB

Catering to science enthusiasts, the Vikrant Vigyan Club organizes experiments, scientific discussions, and events promoting curiosity in various scientific disciplines. With a focus on hands-on experiences and knowledge-sharing, the club aims to ignite a passion for science and exploration among its members.

RAINBOW CLUB

It is a vibrant community that unites diverse creative passions through its three dynamic sub-clubs: the Music & Dance Club, Literary Club, and Film Club. These clubs provide students with a platform to express their creativity and develop their talents. The Rainbow Club fosters artistic growth & encourages students to showcase their unique abilities in a collaborative, supportive environment.

AI STUDENT CLUB

Artificial Intelligence (AI) Student Club plays a vital role in vikrant university by creating a platform where students can explore emerging technologies, develop practical skills, and collaborate on innovative ideas. As AI is transforming industries such as healthcare, finance, manufacturing, education, and transportation, universities need structured initiatives to prepare students for this rapidly evolving technological landscape.

NCC: Where Courage Meets Commitment

NCC NATIONAL CADET CORPS

Vikrant University takes pride in fortifying its students through exclusive National Cadet Corps (NCC) training, conducted under the guidance of the Army Wing of 8 MP Battalion for boys and the 3 MP Battalion for girls. This initiative ensures that both male and female students receive specialized NCC certifications, fostering qualities of discipline, leadership, and teamwork.

Benefits of NCC

- Reserved IMA Vacancies: Army Wing certification from the NCC grants individuals 20-25 reserved vacancies at the Indian Military Academy (IMA)
- Direct SSB Entry: NCC-certified individuals benefit from an exemption from the written CDS exam, receiving a direct entry to the Service Selection Board (SSB).
- CAPF/CPO Preference: NCC certification grants priority in interviews for Central Armed Police Forces (CAPF) and Central Police Organizations (CPO), recognizing and valuing NCC-trained skills and discipline.

CSR ACTIVITIES

Corporate social responsibility is the contribution towards the society. Keeping the youth in balance with studies and moral values is just the right way to ethical education.

PROMOTING SAFETY, EQUALITY & SUPPORT

At Vikrant University, we believe in fostering an inclusive, secure, and empowering environment for all. Our specialized cells work tirelessly to ensure safety, equality, and holistic support for students and staff.

Women's Counseling Cell

Dedicated to empowering women and ensuring their safety, the Women's Counselling Cell addresses issues related to women and promotes overall well-being.

Functions :
- Promotes women's empowerment and gender equality.
- Conducts health and safety awareness programs.
- Provides counseling and grievance redressal for women.
- Celebrates Women's Day and other gender-focused events (Helpline : 9343643501).

SC/ST Cell

Established under UGC guidelines, the SC/ST Cell empowers students and staff from Scheduled Castes and Scheduled Tribes to integrate seamlessly into society.

Functions :
- Provides guidance on scholarships and financial aid.
- Supports career orientation and skill development.
- Offers counseling for academic and personal challenges.
- Ensures a safe, inclusive environment for SC/ST communities (Helpline : 9425114946).

Anti-Ragging Cell

The Anti-Ragging Cell ensures a ragging-free, safe campus for all students, promoting dignity and respect.

Functions :
- Implements strict anti-ragging policies.
- Conducts awareness programs about the consequences of ragging.
- Provides immediate assistance and support to victims (Helpline : 7773004155).

Grievance Redressal Cell

Aimed at resolving complaints effectively, the Grievance Redressal Cell ensures justice and transparency on campus.

Functions :
- Provides a platform for voicing concerns.
- Ensures timely and impartial resolution of grievances.
- Fosters a positive, supportive campus atmosphere. (Helpline : 9343643510).

INTERNATIONAL CONFERENCE

on Emerging Challenges and Research Frontiers in Digital Transformation (ICECRF 2026)

Theme: Digital Transformation and its Emerging Research Frontiers

ICECRF 2026

Shri Shailendra Singh, IAS (Retd.),
Former Additional Chief Secretary

The International Conference on Emerging Challenges and Research Frontiers in Digital Transformation (ICECRF 2026) organized at Vikrant University, Gwalior served as a global platform for academicians, researchers, industry experts, and students to deliberate on the evolving impact of digital technologies across diverse domains. The conference witnessed an overwhelming academic response, receiving over 1385 research papers from across the globe, including contributions from countries such as the USA, United Kingdom, Germany, France, Italy, Oman, Malaysia, Vietnam, Nepal, and several others. ICECRF 2026 fostered meaningful scholarly exchange, interdisciplinary collaboration, and innovative thinking, reinforcing the University's commitment to promoting research excellence, global academic engagement, and technological advancement in the era of digital transformation.

VIDHI SAMVAD

Vidhi Samvad is a distinguished initiative of the School of Legal Studies, Vikrant University, Gwalior, envisioned as a dynamic platform for dialogue, deliberation, and dissemination of legal knowledge. The term Vidhi Samvad, derived from Sanskrit, harmoniously blends two profound ideas — Vidhi meaning “law” and Samvad meaning “dialogue” or “discussion.”

True to its essence, the forum embodies thoughtful engagement, critical reflection, and collaborative learning within the legal sphere. In a nation where the Constitution stands as the moral and legal foundation of the Republic, this initiative emerged as a living conversation on justice, law, and dharma.

On 2nd October 2025, Vikrant University organized Vidhi Samvad – A Lecture on Judicial Dialogue, bringing together the judiciary, legislature, academia, and students in a shared pursuit of constitutional wisdom. The forum sought to nurture discourse on law, ethics, and constitutional values, drawing upon India’s timeless tradition of knowledge evolving through reflection and exchange.

For students, Vidhi Samvad was more than an academic gathering — it was an encounter with the living Constitution. It inspired young legal minds to view law not merely as a profession but as a moral calling rooted in justice and public service. The event reaffirmed the essence of Dharmasth — that law must always serve truth, fairness, and humanity.

INDUX 5.0 HACKATHON 2025

"Innovate for Industry, Build for Bharat"

Vikrant University GWALIOR | Quality Circle Forum of India | SenseLive

To promote innovation, problem-solving, and technological creativity among young minds, Vikrant University successfully organized **Indux 5.0**, a **National-level Hackathon** in collaboration with **Quality Circle Forum of India (QCFI)** and **Senslive Technologies**. The event brought together talented students, developers, and innovators from across the country to work on **real-world problem statements shared by industry partners**. The hackathon followed a rigorous three-stage selection process, culminating in an exciting 24-hour onsite hackathon, where shortlisted teams collaborated intensively to design and develop innovative technology-driven solution.

The event witnessed enthusiastic participation from students representing leading universities and institutes across India,. A total of **172 teams comprising over 600 students from across India** registered for the event, representing states such as **Gujarat, Maharashtra, Rajasthan, Himachal Pradesh, Tamil Nadu, Chhattisgarh, Goa, and Madhya Pradesh**, among several others.

Following the intense **24-hour onsite hackathon and evaluation by industry experts**, the most innovative solutions were recognized with attractive cash prizes. The **1st Prize winner received ₹1,00,000**, the **2nd Prize ₹75,000**, and the **3rd Prize ₹50,000**, celebrating outstanding innovation, teamwork, and technical excellence.

ISRO & VIKRANT UNIVERSITY

INSPIRING FUTURE SPACE EXPLORER

Vikrant University proudly celebrated India's 1st National Space Day in collaboration with ISRO, featuring distinguished guests Mr. Aditya Patinge, Scientist "SF," and Mr. Akhilesh Sharma, Scientist "SG," from the Space Applications Centre (SAC), ISRO. The event brought together enthusiastic students from schools and colleges across the Gwalior region, who showcased their talent and knowledge through competitions like Poster Presentations, Quizzes, Model Exhibitions, and Essay Writing, highlighting their passion for space science and innovation.

Adding to this milestone, two students and a faculty member from Vikrant University were selected to participate in the National Space Day celebration at SAC, ISRO, Ahmedabad. They had the honor of interacting with Padma Shri awardee Dr. Kartikeya Sarabhai and Dr. Nilesh M. Desai, Director of SAC, ISRO. These luminaries inspired the participants to explore the depths of space technology and emphasized the need to nurture curiosity and a spirit of innovation.
